This settlement was concluded on 27 February 2015 and covers the sporting season 2015/16.

A central purpose of the settlement is to ensure that Hull City becomes break-even compliant within the meaning of the UEFA Club Licensing and Financial Fair Play Regulations – Edition 2012 (CLFFPR) in a short period of time.

- To this end Hull City undertakes to be break-even compliant in the meaning of the CLFFPR at the latest in the monitoring period 2015/16; i.e. the aggregate break-even result for the reporting periods 2013, 2014 and 2015 must be a surplus or a deficit within the acceptable deviation in accordance with Article 63 of the CLFFPR.
- Hull City agrees to pay an unconditional amount of EUR 200,000 to UEFA. Furthermore, Hull City agrees to pay an additional amount of EUR 400,000 to UEFA in case it fails to fulfill the operational and financial measures agreed with the CFCB.

The compliance with the Settlement Agreement will be subject to on-going and in depth monitoring, in accordance with the applicable rules. In this connection, Hull City also undertakes to provide the CFCB with a Progress Report evidencing its compliance with all relevant conditions agreed.

In case Hull City fails to comply with any of the terms of the Settlement Agreement, the UEFA CFCB acting Chief Investigator shall refer the case to the Adjudicatory Chamber, as foreseen in Article 15 (4) of the Procedural Rules.
