WHAT HAPPENED NEXT?

Back at home, Bob (Mr Incredible) was exhausted; he was helping with homework, changing nappies and dealing with teenage dramas. After putting all the children to bed, he fell asleep himself. Jack-Jack appeared back downstairs and started to watch TV when suddenly he heard a noise in the backyard – what was it? Find out in your next session.

PLAY

Can you remember all the different Elasticycle moves?
Can you teach them to someone else?
Maybe you could make up some of your own!

JUMP	Jump around a ball and over a building then return quickly to the ball.
WHEELIE	Lift the ball off the ground, drop it and use part of your body to stop the ball bouncing.
SPIN	Spin around the ball and move in any direction.
OVERTAKE	Accelerate with ball and overtake another person.
REVERSE	Drag the ball backwards with the sole of your foot.

DRAW/WRITE

Draw a cartoon script of all the images captured on Elastigirl's camera.

CREATE

Design your own Super costume. What colour will it be? What special power will you have?
