**UEFA Committees and Expert Panels 2019-2023  
Annual option to update membership**

Dear NA Presidents, Dear NA General Secretaries,

As we do annually, we now open the **annual option to update UEFA committee and panel members** with a view to streamlining the overall membership in accordance with any leadership changes within the UEFA member associations and to maintain an up-to-date cooperation on issues that are crucial to football operations and development.

**Please understand that this procedure is primarily for UEFA member associations whose senior management has significantly changed during the past year.** Member associations who are currently satisfied with their representation need not enter this process. However, please note that any membership replacements requested outside of this window cannot be confirmed until the next renewal process in the Spring of 2022.

Should you wish to propose membership replacements, the following documents are attached for assistance:

- The current composition of the UEFA Committees and Expert Panels 2019-2023.
- The form to submit membership replacements.

In addition, you may request a list of current members representing your national association.

To achieve the most effective membership of the UEFA committees and expert panels, please carefully consider the specific knowledge of the representatives you have in mind, indicating their background experience, language skills and personal details. The age limit for nomination is 70. **We strongly encourage you to propose female candidates and representatives of ethnic minorities whenever possible.**

The deadline for submitting your feedback is **Friday 7 May 2021.**

---

Finally, the new UEFA Committee and Panel 2019-2023 composition will be reviewed by the UEFA Executive Committee, which may use its full discretion in approving the appropriate appointments. This will be done at the next opportunity to follow the Ordinary UEFA Congress 2021, with a view to the new composition being effective in July 2021 for the new season ahead.

For any questions you may have during this process we invite you to contact **[committees@uefa.ch](mailto:committees@uefa.ch)**

Please accept our sincere thanks in advance for your kind cooperation.

Yours sincerely,

**U E F A**

Theodore Theodoridis  
General Secretary
