Nyon, Switzerland, 2 August 2021

Play-offs – Champions path

Time:	14.00 CET
Duration:	approximately 15 minutes
Number of teams involved:	10 (5 through the UEFA Europa Conference League third qualifying round champions path and 5 through the UEFA Europa League third qualifying round champions path)
Number of seeded teams:	5
Number of matches:	2 x 5
Matchdays:	19 and 26 August 2021
Kick-off times to be announced by:	3 August 2021 (first legs) 6 August 2021 (second legs)

Conditions of the draw

In accordance with paragraph 13.05 of the Regulations of the UEFA Europa Conference League 2021/22, the clubs eliminated in the third qualifying round of the UEFA Europa League are seeded above the clubs that enter from the third qualifying round of the UEFA Europa Conference League champions path.

The ten teams (the five winners of the UEFA Europa Conference League third qualifying round champions path ties, indicated for the purposes of this draw as Winners of Matches 1 to 5, and the five teams that enter through the third qualifying round of the UEFA Europa League (champions path), indicated for the purposes of this draw as Match 1 to 5) are divided equally into five seeded teams and five unseeded teams.

Any changes of date and fixture reversals will be communicated in writing to your club and national association tomorrow, 3 August, by 18:00 CET.

Draw procedure

Two pots are prepared, one for the seeded teams and the other for the unseeded teams.

The balls containing the seeded teams are placed in a bowl marked 'Seeded' and the balls containing the unseeded teams are placed in a bowl marked 'Unseeded'.

One ball is taken from each bowl and placed in a large empty bowl, where they are shuffled. The first team drawn will play its first match at home against the second team drawn.

The same procedure is carried out with the remaining balls to complete the pairings for the play-offs in the main path.

Play-offs – Main path

Time:	14.15 CET
Duration:	approximately 20 minutes
Number of teams involved:	34 (4 directly, 27 through the UEFA Europa Conference League third qualifying round main path and 3 through the UEFA Europa League third qualifying round main path)
Number of seeded teams:	17
Number of matches:	2 x 17
Matchdays:	19 and 26 August 2021
Kick-off times to be announced by:	3 August 2021 (first legs) 6 August 2021 (second legs)

Conditions of the draw

In accordance with paragraphs 13.03 and 13.04 of the Regulations of the UEFA Europa Conference League 2021/22, clubs in the main path are seeded and drawn for the play-offs draw based on the club rankings established at the beginning of the season and the principles set by the Club Competitions Committee.

The 34 teams (four that enter the competition at this stage, twenty-seven that enter through the third qualifying round of the UEFA Europa Conference League main path and three that enter through the UEFA Europa League third qualifying round main path) are divided into three groups of 8 teams (group 1 to 3) and one group of 10 teams (group 4).

Within each of the four groups, the teams are divided into an equal number of seeded and unseeded teams (17 seeded teams and 17 unseeded teams in total).

Teams from the same association must not be drawn against each other.

If any club in a third qualifying round match has a coefficient that would entitle it to be seeded for the play-offs draw, the winner of that match is automatically seeded for the draw.

Any changes of date and fixture reversals will be communicated in writing to your club and national association tomorrow, 3 August, by 18:00 CET.

Draw procedure

Groups 1 to 3

All the clubs in each of the first three groups are randomly assigned a number: 1 to 4 for the seeded teams and 5 to 8 for the unseeded teams.

Two bowls are prepared, one for the seeded teams (four balls containing slips of paper numbered 1 to 4) and the other for the unseeded teams (four balls containing slips of paper numbered 5 to 8).

A ball is taken from each bowl and placed in an empty bowl, where they are shuffled. One of the two balls is drawn at random, then opened to display the number it contains. The second ball is drawn and opened to complete the pairing.

The result applies to all 3 groups. For example, if the first ball drawn contains the number 2 and the second the number 8, the clubs that have been assigned the numbers 2 and 8 in each of the three groups will play each other. The first ball drawn, here containing the number 2, designates **the home team for the first leg in all three ties.**

The same procedure is carried out with the remaining balls to complete the pairings.

Group 4

All the clubs in the group are randomly assigned a number: 1 to 5 for the seeded teams and 6 to 10 for the unseeded teams.

Two bowls are prepared, one for the seeded teams (five balls containing slips of paper numbered 1 to 5) and the other for the unseeded teams (five balls containing slips of paper numbered 6 to 10).

A ball is taken from each bowl and placed in an empty bowl, where they are shuffled. One of the two balls is drawn at random, then opened to display the number it contains. The second ball is drawn and opened to complete the pairing. The first ball drawn designates the home team for the first leg.

The same procedure is carried out with the remaining balls to complete the pairings.
