

Categorisation of UEFA member associations for mini-tournament financing

Categorisation of UEFA member associations based on Gross National Income (GNI) per capita

The categorisation of UEFA member associations for all UEFA competitions for the **2021/22 season** is based on the **2019 figures** for GNI per capita (following the "Atlas methodology") developed by the World Bank and indicated below. They are publicly available under the following link: <http://databank.worldbank.org/data/download/GNIPC.pdf>

The GNI per capita thresholds which UEFA has defined for each category of UEFA member associations are USD 13,000 (Category 2) and USD 37,000 (Category 3).
