HOW THE DRAW WILL WORK

HOW WILL THE DRAW WORK?

The Netherlands will host UEFA Futsal EURO from 19 January to 6 February 2022, the first edition since the switch from the biennial 12-team tournament to a 16-nation finals held every four years. The draw at 18:00 CET on Monday 18 October at the KNVB Campus in Zeist will split the hosts and 15 qualifiers into four groups of four.

SEEDING POTS

POT 1	POT 2	POT 3	POT 4
Spain	Croatia	Ukraine	Finland
Russia	Azerbaijan	Slovenia	Slovakia
Portugal (holders)	Serbia/Belarus	Bosnia and Herzegovina	Georgia
Kazakhstan	Italy	Poland	Netherlands*

*hosts, placed in position 1 of Group A

DRAW PROCEDURE

The teams are seeded according to the UEFA senior men's futsal national team coefficient rankings, with the winner of the play-off taking the ranking of the contender with the higher coefficient, Serbia.

There are four pots: Pot 1 composed of the four teams with the best coefficient rankings including Portugal, the holders; Pot 2 with the next four teams (including the play-off winners) and so on.

Teams are drawn in the groups in alphabetic order from Groups A to D, and positions in the group (1, 2, 3, 4) are also drawn.

The hosts, Netherlands, are not drawn but are placed in position A1. As they are seeded in Pot 4 (which will be drawn first), the other three teams in that pot will be drawn in Groups B, C and D. Pot 3 is drawn next, then Pot 2 and finally Pot 1.

Based on decisions taken by the UEFA Emergency Panel, Russia and Ukraine cannot be drawn in the same group. If Ukraine (Pot 3) are drawn into Groups A or B, Russia (Pot 1) may not be allocated into these groups and if drawn in one of them will be placed in Group C. If Ukraine are drawn into Groups C and D, Russia may not be allocated into these groups and Pot B must remain open for them if they are not drawn first or second from their pot.

VENUES

The Ziggo Dome (Amsterdam) and the MartiniPlaza (Groningen) are two fantastic locations to host the biggest and most spectacular edition yet of the UEFA Futsal EURO.

For the first time in the tournament's history, Futsal EURO 2022 will feature 16 participating countries. The Ziggo Dome will stage a total of 20 matches and the MartiniPlaza will hold 12 matches.

AMSTERDAM & ZIGGO DOME

The international appeal of Amsterdam is undisputed and therefore chimes perfectly with an international event like UEFA Futsal EURO 2022. The city has also invested a lot in alternative sports in recent years. Street football and futsal sit perfectly within these developments. The Ziggo Dome, with space for 10,500 visitors, opened in 2012 and as well as staging major indoor sports it is a leading concert venue. However, UEFA Futsal EURO 2022 will be the first sporting event to take over the dome for a period of almost three weeks.

GRONINGEN & MARTINIPLAZA

The Martini city, also known as the metropolis of the north, is one of the futsal strongholds of the Netherlands. With its student sports club Drs. Vijfje, Groningen even has the largest indoor football club in the country. The MartiniPlaza, which can accommodate just under 4,000 visitors, is also the top indoor sports venue of the Northern Netherlands.

UEFA FUTSAL EURO 2022 KNVB MANIFESTO

The Netherlands. The land of the masters. Our unique and creative style is what makes people stop and take a second glance. We've done it differently since day one and we still do. It is that uniqueness and creativity that characterises us. The bravado that gives us strength. Give us a canvas of any kind and you can be sure of one thing: we will give it colour.

And now a new canvas presents itself – a podium for up-and-coming artists, so to speak – because **UEFA Futsal EURO 2022 is coming to the Netherlands.**

We welcome the 16 participating nations to the biggest European Futsal Championship ever. We welcome their dreams, their skills, their talent. We welcome them to a stage that will attract attention from all around the world, to showcase the highest level of futsal out there.

This stage belongs to the artists of the small spaces. It belongs to creativity, to intuition and to powerful abilities. To the raw talents that make something out of nothing. To those who make the impossible look easy. From a thought to a movement. And from a movement to a work of art. Enjoy the artists of futsal!
