Update: the media content rights sales process for the above UEFA national team football competitions for the 2022-2028 cycle is currently on-going. The sales process will be conducted on a market-by-market basis with such media rights being offered on a platform neutral basis.

The sales process will be effected initially by means of an Invitation to Tender ("ITT") process under which qualified media content distributors will be invited to submit offers before the submission deadline (as indicated in the schedule below) for the media rights in their respective territory. Schedule A below lists the status of the sales process in the relevant territories. Schedule B lists the relevant territories for which media rights agreements have been signed (including details of the respective partner).

The sales process will be administered on behalf of UEFA by CAA Eleven Sàrl. All enquiries in respect of the acquisition of the media rights to the above competitions should therefore be directed to CAA Eleven Sàrl at the following e-mail address: info@caa11.com.

Further communications and updates shall be provided as and when UEFA commences the media rights sales process in respect of any other territory or territories.
