DRAW PROCEDURE

Qualifying rounds 2022/23 UEFA European Under-17 and Under-19 Championships

Please find below details of the competition system, coefficient ranking system, draw procedure, group formation for the elite round and match dates.

COMPETITION SYSTEM

Under-17

Fifty-five member associations will take part in the competition. Fifty-two teams will enter the competition in the qualifying round and two (Netherlands and Spain) will join in the elite round. The final tournament host association (Hungary) qualifies automatically for the final tournament.

Under-19

Fifty-four member associations will take part in the competition. Fifty-two teams will enter the competition in the qualifying round and one (Portugal) will join in the elite round. The final tournament host association (Malta) qualifies automatically for the final tournament.

COEFFICIENT RANKING SYSTEM

Reference period

The qualifying round coefficient ranking lists are established for the qualifying round draws on the basis of the associations' results in the four most recently completed seasons. For the 2022/23 competitions, the qualifying round coefficient ranking lists are based on the associations' results in the 2015/16, 2016/17, 2017/18 and 2018/19 seasons as the 2019/20 season was not completed and the 2020/21 season was cancelled.

Match points

Points are awarded for each match played in the qualifying rounds, elite rounds and final tournament group stages.

Match points are awarded in accordance with the final scores as ratified by UEFA. Penalty shoot-outs and final tournament knockout matches are not taken into consideration.

Points are awarded as follows: 3 points for a win; 1 point for a draw, 0 points for a defeat.

Qualifying competition - bonus points

The following bonus points are awarded:

- Automatic qualification for the elite round: 1 point
- Qualification from the qualifying round to the elite round: 1 point
- Qualification from the elite round to the final tournament: U17 = 1 point; U19 = 2 points

Qualifying competition - bonus points for final tournament hosts

An association that has hosted a final tournament in any of the four seasons taken into account for the coefficients will have no points from the corresponding qualifying competition. By way of compensation, the host association receives the following bonus points:

- U17: 2 points (= Azerbaijan, Croatia, England and Republic of Ireland)
- U19: 3 points (= Germany, Georgia, Finland and Armenia)

Final tournament - bonus points

Results obtained during the final tournaments, as indicated in the table below:

Final tournaments		2015/16	Pts	2016/17	Pts	2017/18	Pts	2018/19	Pts
Winners	U17	Portugal	4	Spain	4	Netherlands	4	Netherlands	4
	U19	France	3	England	3	Portugal	3	Spain	3
Runners-up	U17	Spain	3	England	3	Italy	3	Italy	3
	U19	Italy	2	Portugal	2	Italy	2	Portugal	2
Semi-finalists	U17	Netherlands, Germany	2	Turkey, Germany	2	Belgium, England	2	Spain, France	2
	U19	Portugal, England	1	Czech Republic, Netherlands	1	Ukraine, France	1	Republic of Ireland, France	1
Quarter-finalists	U17	Austria, Belgium, England, Sweden	1	France, Hungary, Netherlands, Rep. of Ireland	1	Sweden, Norway, Spain, Rep. of Ireland	1	Belgium, Czech Republic, Hungary, Portugal	1

Coefficient calculation

Each association's qualifying round coefficient is calculated by:

- adding up the match points obtained in a given season;
- dividing the total by the number of qualifying competition and final tournament group matches played;
- adding the bonus points to produce the coefficient for that season;
- adding together the four-season coefficients to produce the overall qualifying round coefficient.

If two or more associations have an equal qualifying round coefficient, the following criteria are applied, in the order given, to determine their final rankings:

- a) higher number of matches played;
- b) higher coefficient from the most recent season, i.e. 2018/19;
- c) higher coefficient from the next three most recent seasons, i.e. 2017/18, 2016/17 and 2015/16;
- d) superior goal difference from the most recent season, i.e. 2018/19;
- e) superior goal difference from the next three most recent seasons, i.e. 2017/18, 2016/17 and 2015/16.

DRAW PROCEDURE

The 52 associations will be split into 4 pots of 13 teams, as follows:

Pot A (yellow balls)

U17: associations ranked 3 to 15

U19: associations ranked 2 to 14

Pot B (red balls)

U17: associations ranked 16 to 28

U19: associations ranked 15 to 27

Pot C (green balls)

U17: associations ranked 29 to 41

U19: associations ranked 28 to 40

Pot D (blue balls)

U17: associations ranked 42 to 54

U19: associations ranked 41 to 53

The draw will start with Pot D and end with Pot A in order to ensure that the strongest teams are drawn last. Each pot will be emptied before the next pot is started.

First draw phase

- The teams in Pot D will be drawn one after another and placed in the **fourth** position in Groups 1 to 13.

Second draw phase

- The teams in Pot C will be drawn one after another and each one placed in the **third** position in one of the 13 groups.

Third draw phase

- The teams in Pot B will be drawn one after another and each one placed in the **second** position in one of the 13 groups.

Fourth draw phase

- The teams in Pot A will be drawn one after another and each one placed in the **first** position in one of the 13 groups.

On the basis of previous decisions taken by the UEFA Executive Committee and the UEFA Emergency Panel, the following countries cannot be drawn into the same group: Armenia and Azerbaijan, Spain and Gibraltar, Russia and Ukraine, Kosovo and Serbia, Kosovo and Bosnia-Herzegovina and Kosovo and Russia.

For both competitions, the teams will be allocated to groups in numerical order. If clashes arise, the team drawn will be moved to the next available group. The draw continues by first filling the slot left vacant. If clashes arise in the last three or four groups, the teams will be allocated to groups appropriately.

U17: 30 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners, the 13 group runners-up and the four best third-placed teams.

U19: 27 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners, the 13 group runners-up and the best third-placed team.

MINI-TOURNAMENT HOST SELECTION

To determine the mini-tournament hosts and dates, Microsoft Teams meetings will be held immediately after each draw. One representative from each national association (NA), who must be fluent in English and competent to make final decisions on organising the mini-tournaments, must attend these meetings

A document containing all the links to these videocalls will be available a few days before the draws in the *Documents* section of TIME (Competitions / National Team Competitions / U17 & U19 / Draws / General organisation). Select the relevant competition draws and click on the link for your group.

Once the teams within a group have reached an agreement about who will host their group matches, they must inform the UEFA administration by submitting the completed 'Agreement of mini-tournament hosts and dates' form to YouthMatchOps@uefa.ch and mensyouthcompetitions@uefa.ch, no later than 12:00 CET on 10 December. The form will also be available in the same location on the TIME platform.

Should no agreement be reached, the teams concerned must inform UEFA at YouthMatchOps@uefa.ch and mensyouthcompetitions@uefa.ch, mentioning the reasons (e.g. several NAs interested in hosting, no NA wants to host), by the same deadline.

If the teams cannot agree on a host, the UEFA administration will decide according to the following principles:

- a) If one association would like to host the mini-tournament, the UEFA administration appoints that association as host.
- b) If more than one association would like to host the mini-tournament, the following criteria apply:
 - opinion of the majority of the teams
 - priority given to associations that are not hosting a mini-tournament in the same phase of the UEFA European Under-17 / Under-19 Championship

- draw
- c) If no association expresses an interest in hosting the mini-tournament, the UEFA administration conducts a draw to determine the host.

If a draw is needed, the NAs concerned will be invited to a Microsoft Teams meeting in the following week. The dates and times of the draw will be communicated to these NAs in due course along with further details.

MATCH DATES

U17: qualifying round mini-tournaments must be played from 1 July to 23 November 2022.

U19: Unless all teams in a group agree to play on other dates, Under-19 qualifying round mini-tournaments must be played on the following FIFA International Match Calendar dates:

- 30 May – 14 June 2022
- 19–27 September 2022
- FIFA World Cup preparatory period, which starts on 14 November 2022, may also be used.
- Qualifying round mini-tournaments must be completed by 23 November 2022.

If the group cannot agree on the match dates, the host association will decide, taking account of the above information and inform the teams and UEFA (YouthMatchOps@uefa.ch and mensyouthcompetitions@uefa.ch) by 14 January 2022.

GROUP FORMATION FOR THE ELITE ROUND

Draws will take place to form the eight groups of four teams (U17) and seven groups of four teams (U19). The definitive draw procedures will be communicated to the associations concerned on completion of the qualifying rounds.

In the U17 competition, the eight group winners and the seven best runners-up will qualify for the final tournament.

In the U19 competition, the seven group winners will qualify for the final tournament.
