Amendments to UEFA Bid Regulations

Dear Sir or Madam,

We would like to inform you that, on 16 December 2021, the UEFA Executive Committee approved some amendments to the voting procedure in Annex A of the UEFA bid regulations for the following reasons:

- To replace the ranking of the preferred bidders with a single preference (or as many preferences as editions at stake);
- To align the Men's and Women's EURO under the same procedure (an absolute majority required for the winner), whereas this is currently only foreseen for Men's;
- To foresee the possibility that more than one edition of EURO (both Men's and Women's) be awarded in the same bidding procedure (currently this option is only foreseen for the other events).

All the above amendments affect Annex A, articles A.2, A.3, A.4, A.5.

Please note that the changes to [Bid Regulations UEFA Finals and Final Phases \(Edition 2021\)](#) entered into force with immediate effect and are applicable to bidding processes that are already in progress.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
