UEFA EURO 2032 – Invitation to bid

Dear Sir or Madam,

We are pleased to invite all UEFA member associations to bid to host the final tournament of the UEFA European Football Championship 2030-32. **This bid process runs in tandem with the bid process for EURO 2028 and this circular letter complements the information provided in Circular Letter no. 67/2021 (27 September 2021).** Interested bidders can bid for one or both editions.

If your association is interested in hosting either of the 2028 or 2032 UEFA EURO final tournaments, to be held in June/July 2028 and June/July 2032 respectively, and intends to submit a bid, we kindly ask you to confirm your interest by completing and returning the attached declaration of interest form by 23 March 2022, 18:00 CET.

The [Bid Regulations UEFA Finals and Final Phases \(Edition 2021\)](#) approved on the 16 December 2021 by the UEFA Executive Committee apply. Please note that should UEFA decide to make amendments to any aspect of these Regulations during the course of the bidding process, the UEFA member associations will be informed accordingly. The bidding timeline is set out below:

23 March 2022, 18:00 CET	<i>Deadline for national associations to confirm their interest to bid</i>
30 March 2022	<i>Bid requirements are made available to the bidders</i>

12 April 2023	<i>Final bid dossier submission deadline</i>
September 2023	<i>Appointment of host(s) of UEFA EURO 2028 & UEFA EURO 2032</i>

All dates are subject to final confirmation nearer the time.

The purpose of the preliminary submission is to favour dialogue between UEFA and the bidders and to streamline the efforts by identifying as early as possible how information and documentation shall be

completed before the final submission deadline. If the preliminary bid dossier is determined by UEFA to have fulfilled the relevant minimum requirements, it may be incorporated into the final bid dossier and submitted by the bidder for the final evaluation by the UEFA administration.

The key organisational elements of the UEFA EURO final tournament are the following:

- *Teams: 24*
 - *Matches: 51*
 - *Duration: up to 32 days (depending on the match schedule, which will be confirmed after the bidding procedure)*
 - *Number of stadia: 10*
 - *Stadium capacities:*
 - *Minimum of 1 stadium with at least 60'000 net seating capacity*
 - *Minimum of 1 stadium, preferably 2 stadiums, with at least 50'000 net seating capacity*
 - *Minimum of 4 stadiums with at least 40'000 net seating capacity*
 - *The remaining stadiums with at least 30'000 net seating capacity*
- The net seating capacity means the number of seats available to the public, excluding all media infrastructure and not counting seats which cannot be sold due to view obstruction.*

As the relevant competition regulations have not yet been issued, information regarding dates, the number of participating teams and the number of matches are provisional and may be subject to change.

Joint bids are permitted provided that the bidding countries are geographically compact. The decision regarding the qualification for the UEFA EURO final tournament will be made after the appointment of the host country(ies) and will be part of the respective competition regulations. In order to ensure compatibility with the competition's sporting and commercial format:

- The automatic qualification of the host team(s) shall be guaranteed only for a single host or a maximum of two joint host associations, as always implemented in the past.
- In case of more than two joint host associations, the automatic qualification of all the host teams cannot be guaranteed and shall be subject to the decisions concerning the qualifying competition.
