UEFA Assist applications for 2022/23 – Pillar 4: UEFA member association support

Dear Sir or Madam,

We are pleased to invite your national association to apply for UEFA Assist funding for the 2022/23 financial year. Under the fourth pillar of UEFA Assist, each UEFA member association may apply for a maximum of €35,000 per financial year (1 July–30 June) to help create football development programmes with a member association of a UEFA sister confederation. Further guidelines and information are provided in the application form and the updated UEFA Assist Principles, both of which are attached.

If your national association would like to apply for funding for the 2022/2023 financial year, please return the completed application form to UEFA.Assist@uefa.ch by Friday, 20 May 2022.

For information, all ongoing pillar 4 projects must be completed by 30 June 2022 at the latest. Any projects that are not completed by the aforementioned deadline will be cancelled.

If you have any questions regarding UEFA Assist, please feel free to email our international relations unit (UEFA.Assist@uefa.ch).

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
