**2022/23 UEFA Women's Champions League:
Registration procedure, playing attire and player eligibility**

Dear Sir or Madam,

To assist with your preparations for the 2022/23 UEFA Women's Champions League, please find enclosed information on the following:

- Registration procedure (Enclosure 1)
- Playing attire (Enclosure 2)
- Player eligibility (Enclosure 3)
- Deadlines (Enclosure 4)
- Use of the UEFA TIME platform (Enclosure 5)

As in previous years, details of the official registration procedure, playing attire and player eligibility have been combined in one circular letter. This will facilitate the handling of all processes regarding preparations for the 2022/23 UEFA Women's Champions League and give you a better overview of the important procedures and deadlines, as well as avoiding unnecessary communications.

In Enclosure 5 you will find detailed guidance and instructions on the different uses of the UEFA Time platform, which will help clubs to perform various tasks during the club competition season.

Electronic version of the regulations can be found in the [UEFA Documents portal](#). Furthermore, the reasoning for key amendments to the regulations and further information on the regulations and the competition can be found in the [Documents](#) section of TIME, for the attention of your participating club(s). Details of how you and your clubs can access and use TIME can be found in Enclosure 5.

The UEFA administration continues to monitor COVID-19 developments and further information on measures, guidelines and changes to the 2022/23 competition regulations may be provided at a later stage.

In the case of any unforeseen events, that have a direct effect on the registration or start of the 2022/23 UEFA Women's Champions League, please immediately inform UEFA of any impact, irregularity, change or delay to your domestic competitions.

As in previous years, we also enclose the deadlines for the 2022/23 UEFA Women's Champions League (Enclosure 4), in accordance with the 2022/23 match calendar and the above-mentioned regulations. This provides a clear overview of the documents that need to be submitted to UEFA over the course of the season.

In addition to the documents required for the entry procedure, please provide us with your domestic match calendars, including your domestic league and domestic cup competition dates for the next season. This will further facilitate our coordination of the women's calendar and give us a complete picture of the dates already used for European football, which we will then be able to share with all associations upon request. Please email your domestic calendar for 2022/23 or 2023 to UWCLMatchOps@uefa.ch by 1st June 2022.

Thank you in advance for giving your fullest attention to the information contained in this letter and its enclosures, and for your valuable cooperation.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
