Standard special rules applicable to the Futsal, Youth (Women & Men) and Amateur Competitions of the 2021/22, 2022/23 and 2022-24 seasons due to COVID-19

Dear Sir or Madam,

Since the restart of UEFA competitions during the COVID-19 pandemic, UEFA has incorporated in its regulations specific Annexes for the different competition phases, setting out special rules to regulate consequences of possible group quarantines imposed following positive test results and potential rescheduling of matches, including the consequences in case a match cannot be played, as well as paying specific attention to the teams' travel arrangements.

Although the situation tends to normalise, COVID-19 outbreaks can still affect activities and impact football matches. As a matter of precaution, it was therefore still deemed appropriate and necessary to adopt special rules via a specific Annex for the qualifying phases and final tournaments of the following competitions which will start in August 2022 in order to guarantee the continuity and completion of the competitions, should any extraordinary circumstances happen:

- 2021/22 UEFA European Under-19 Futsal Championship (final tournament)
- 2022/23 UEFA European Under-19 Futsal Championships
- 2022-24 UEFA European Qualifying Competition for the 2024 FIFA Futsal World Cup
- 2022/23 UEFA Futsal Champions League
- 2022/23 UEFA European Women's Under-17 Championship
- 2022/23 UEFA European Women's Under-19 Championship
- 2022/23 UEFA European Under-17 Championship
- 2022/23 UEFA European Under-19 Championship
- 2022/23 UEFA Regions' Cup

Against this background, the UEFA Executive Committee, on 16 August 2022, has approved the below listed Annexes which can be found in the following competition regulations on [UEFA Documents portal](#) (French and German annexes will be available next week):

Regulations of the 2022-24 UEFA European Qualifying Competition for the 2024 FIFA Futsal World Cup

- Annex C – Special rules applicable to matches in the main and elite rounds due to COVID-19

Regulations of the 2022/23 UEFA Futsal Champions League

- Annex B – Special rules applicable to mini-tournaments and the final phase due to COVID-19

Regulations of the 2022/23 UEFA European Under-19 Futsal Championship

- Annex B – Special rules applicable to mini-tournaments and the final tournament due to COVID-19

Regulations of the 2022/23 UEFA European Women's Under-17 & Women's Under-19 Championships

- Annex A – Special rules applicable to mini-tournaments and the final tournament due to COVID-19

Regulations of the 2022/23 UEFA European Under-17 & Under-19 Championships

- Annex B – Special rules applicable to mini-tournaments and the final tournament due to COVID-19

Regulations of the 2022/23 UEFA Regions' Cup

- Annex C – Special rules applicable to mini-tournaments and the final tournament due to COVID-19

Please note that the above-mentioned specific Annexes follow a structure similar to the Annexes applicable to the 2021/22 competitions. However, the section dedicated to venue and country restrictions, which was part of the latest edition of the Annexes, has been lifted since no such restrictions due to COVID-19 are currently applied within Europe.

With regards to the forthcoming Futsal Under-19 Final Tournament to be staged in Jaén/Spain on 4-10 September 2022, the eight qualified teams will be informed about the special rules applicable to this tournament by separate letter.

We thank you for taking good note of the above.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
