UEFA Grassroots Awards 2022/23

Dear Sir or Madam,

The UEFA Grassroots Awards will take place once again this year, honouring exceptional work in grassroots football during the 2022/23 season. Grassroots football is the foundation of the game and it is nurtured thanks to thousands of volunteers, projects and clubs across Europe. Our awards are designed to recognise, celebrate and promote this inspirational work.

The categories are as follows:

- Best amateur football club
- Best professional football club
- Best disability initiative
- Best social initiative
- Best participation initiative

We encourage all member associations to nominate candidates and projects by completing the enclosed application form in English and submitting it via the link below:

The deadline for nominations is Friday 14 October 2022 and the winners will be selected by the UEFA Executive Committee.

Please do not hesitate to contact us at grassroots@uefa.ch if you have any questions.

We thank you for your continued efforts to support and develop the grassroots of the game.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
