Specific Operational Provisions and Guidelines applicable to:

- **UEFA Youth & Amateur Competition Matches (v6)**
- **UEFA Futsal Matches (v7)**

Dear Sir or Madam,

Following the approval of the UEFA Return to Play Protocol v8 (RTPP v8), sent out with circular letter 58 on 31 August, we have revised the above two sets of specific operational provisions and guidelines.

The main differences are as follows.

- For tournaments, the reciprocal testing requirements for the whole home team delegation applies only if **all visiting teams** are required to undergo a specific test requested by the competent authorities on entering the country.
- Specific tournament COVID-19 support provisions have been included to ensure that the necessary measures are taken in the event of positive SARS-CoV-2 tests.

If the measures imposed by the competent authorities are stricter than RTPP v8 and the SOP v6 (youth)/v7 (futsal), the local authority measures will apply.

We thank you in advance for your cooperation.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
