Please find below details of the competition system, coefficient ranking system, draw procedure, group formation for the elite round and match dates.

COMPETITION SYSTEM

Under-17

Fifty-four member associations will take part in the competition. Fifty-two teams will enter the competition in the qualifying round and one, Netherlands, will join in the elite round. The final tournament host association (Cyprus) qualifies automatically for the final tournament.

Under-19

Fifty-four member associations will take part in the competition. Fifty-two teams will enter the competition in the qualifying round and one, Portugal, will join in the elite round. The final tournament host association (Northern Ireland) qualifies automatically for the final tournament.

COEFFICIENT RANKING SYSTEM

Reference period

The qualifying round coefficient rankings are established for the qualifying round draws on the basis of the associations' results in the four most recently completed seasons. For the 2023/24 competitions, the qualifying round coefficient rankings are based on the associations' results in the 2016/17, 2017/18, 2018/19 and 2021/22 seasons as the 2019/20 season was not completed and the 2020/21 season was cancelled.

Match points

Points are awarded for each match played in the qualifying rounds, elite rounds and final tournament group stages.

Match points are awarded in accordance with the final scores as ratified by UEFA. Penalty shoot-outs and final tournament knockout matches are not taken into consideration.

Points are awarded as follows: 3 points for a win; 1 point for a draw, 0 points for a defeat.

Qualifying competition - bonus points

The following bonus points are awarded:

- Automatic qualification for the elite round: 1 point
- Qualification from the qualifying round to the elite round: 1 point
- Qualification from the elite round to the final tournament: U17 = 1 point; U19 = 2 points

Qualifying competition - bonus points for final tournament hosts

An association that has hosted a final tournament in any of the four seasons taken into account for the coefficients will have no points from the corresponding qualifying competition. By way of compensation, the host association receives the following bonus points:

- U17: 2 points (= Croatia, England, Republic of Ireland and Israel)
- U19: 3 points (= Georgia, Finland, Armenia and Slovakia)

Final tournament - bonus points

Coefficient calculation

Each association's qualifying round coefficient is calculated by:

- adding up the match points obtained in a given season;
- dividing the total by the number of qualifying competition and final tournament group matches played;
- adding the bonus points to produce the coefficient for that season;
- adding together the four-season coefficients to produce the overall qualifying round coefficient.

If two or more associations have an equal qualifying round coefficient, the following criteria are applied, in the order given, to determine their final rankings:

- a) higher number of matches played;
- b) higher coefficient from the most recent season, i.e. 2021/22;
- c) higher coefficient from the next three most recent seasons, i.e. 2018/19, 2017/18 and 2016/17;
- d) superior goal difference from the most recent season, i.e. 2021/22;
- e) superior goal difference from the next three most recent seasons, i.e. 2018/19, 2017/18 and 2016/17.

DRAW PROCEDURE

The 52 associations will be split into 4 pots of 13 teams, as follows:

Pot A (yellow balls)

U17: associations ranked 2 to 14

U19: associations ranked 2 to 14

Pot B (red balls)

U17: associations ranked 15 to 27

U19: associations ranked 15 to 27

Pot C (green balls)

U17: associations ranked 28 to 40

U19: associations ranked 28 to 40

Pot D (blue balls)

U17: associations ranked 41 to 53

U19: associations ranked 41 to 53

The draw will start with Pot D and end with Pot A in order to ensure that the strongest teams are drawn last. Each pot will be emptied before the next pot is started.

First draw phase

- The teams in Pot D will be drawn one after another and placed in the **fourth** position in Groups 1 to 13.

Second draw phase

- The teams in Pot C will be drawn one after another and each one placed in the **third** position in one of the 13 groups.

Third draw phase

- The teams in Pot B will be drawn one after another and each one placed in the **second** position in one of the 13 groups.

Fourth draw phase

- The teams in Pot A will be drawn one after another and each one placed in the **first** position in one of the 13 groups.

On the basis of previous decisions taken by the UEFA Executive Committee and the UEFA Emergency Panel, the following countries cannot be drawn into the same group: Armenia and Azerbaijan, Spain and Gibraltar, Belarus and Ukraine, Kosovo and Serbia and Kosovo and Bosnia-Herzegovina.

All Russian teams are currently suspended from UEFA competitions until further notice in accordance with the decision taken by the UEFA Executive Committee on 28 February 2022 (see Circular Letter No.21/2022) and as confirmed by the Court of Arbitration for Sport on 15 July 2022. Russia is therefore not included in the 2023/24 UEFA European Under-17 and Under-19 Championships.

For both competitions, the teams will be allocated to groups in numerical order. If clashes arise, the team drawn will be moved to the next available group. The draw continues by first filling the slot left vacant. If clashes arise in the last three or four groups, the teams will be allocated to groups appropriately.

U17: 31 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners, the 13 group runners-up and the five best third-placed teams.

U19: 27 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners, the 13 group runners-up and the best third-placed team.

MINI-TOURNAMENT HOST SELECTION

To determine the mini-tournament hosts and dates, meetings will take place immediately after each draw. One representative from each national association (NA), who must be fluent in English and competent to make final decisions on organising the mini-tournaments, must attend these meetings

Once the teams within a group have reached an agreement about who will host their group matches, they must complete and sign the 'Agreement of mini-tournament hosts and dates' form.

If the teams cannot agree on a host, the UEFA administration will decide according to the following principles:

- a) If one association would like to host the mini-tournament, the UEFA administration appoints that association as host.
- b) If more than one association would like to host the mini-tournament, the following criteria apply:
 - opinion of the majority of the teams
 - priority given to associations that are not hosting a mini-tournament in the same phase of the UEFA European Under-17 / Under-19 Championship
 - draw
- c) If no association expresses an interest in hosting the mini-tournament, the UEFA administration conducts a draw to determine the host. Associations already hosting a tournament in the same phase of the UEFA European Under-17 Championship / Under-19 Championship are not included in the draw.

MATCH DATES

U17: qualifying round mini-tournaments must be played from 1 July to 21 November 2023.

U19: Unless all teams in a group agree to play on other dates, Under-19 qualifying round mini-tournaments must be played on the following FIFA International Match Calendar dates:

- 4-12 September 2023
- 9-17 October 2023
- 13-21 November 2023

If the group cannot agree on the match dates, the host association will decide, taking account of the above information.

For both competitions, the qualifying round must be completed by 21 November 2023

GROUP FORMATION FOR THE ELITE ROUND

Draws will take place to form the eight groups of four teams (U17) and seven groups of four teams (U19). The definitive draw procedures will be communicated to the associations concerned on completion of the qualifying rounds.

In the U17 competition, the eight group winners and the seven best runners-up will qualify for the final tournament.

In the U19 competition, the seven group winners will qualify for the final tournament.
