

Media rights sales: 2024-27 UEFA Champions League™

Last Update: 13 March 2023

The media content rights sales process for the UEFA Champions League, UEFA Champions League Opening Tournament and UEFA Youth League (seasons 2024/25, 2025/26 and 2026/27) will be conducted on a market-by-market basis with such media rights being offered on a platform neutral basis and in accordance with the principles established by the European Commission.

The sales process will usually be effected initially by means of an 'Invitation to Submit Offer' (ISO) process under which qualified media content distributors will be invited to submit offers before the submission deadline (as indicated in the Schedule A below) for the media rights in their respective territories. Schedule B lists the relevant territories for which media rights agreements have been signed (including details of the respective partners).

The sales process will be administered on behalf of UEFA by TEAM Marketing, UEFA's marketing agency for the exploitation of certain media and commercial rights relating to its club competitions, except in the United States where the sales process will be administered on behalf of UEFA by Relevant Sports Group. All enquiries in respect of the acquisition of such rights should therefore be directed to TEAM Marketing at the following e-mail address: info@team.ch.

Further communications and updates shall be provided as and when UEFA commences the media content rights sales process in respect of any other territories.
