2023 UEFA Grow Conference on Financial and HR Management

Dear all,

We are pleased to officially invite two representatives of your association to attend the UEFA Grow Conference on Financial and HR Management, which will take place over two days on Tuesday 9 and Wednesday 10 May 2023. The Royal Belgian Football Association has kindly agreed to host the event at its headquarters.

This conference is the first-ever gathering of the finance & HR directors of our 55 member associations. It will give them the opportunity to share their experiences and thoughts on current topics in both fields and to network with colleagues from all over Europe.

A preliminary agenda (subject to change) is attached to this letter. Each association is invited to send two delegates who are involved in managing your association's human resources and finances. We highly recommend that these be the two most senior colleagues in these areas, ideally your HR director and your finance director. The UEFA Grow team will contact your general secretary directly with more information about the event and the sign-up process.

We look forward to meeting the HR and finance directors of the 55 national associations at this unique event on financial, organisational and structural aspects of football management.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
