Use of dates on the international calendar

We take this opportunity to remind you that the main principles of the international calendar remain unchanged: **domestic competition matches may not be played on the same dates as UEFA competition matches unless exceptional circumstances so require**. This is to ensure the success of both domestic football and UEFA club competitions. We understand that unforeseeable circumstances may result in the occasional domestic match having to be moved to a UEFA club competition date. However, scheduling national league or cup matches to clash directly with UEFA club competition matches, or vice versa, is not in the interests of fans and is harmful to football. Please, therefore, ensure that these dates are taken into account by your association and/or national league organiser when scheduling the domestic competition calendar.

Provisional 2024/25 access list

In accordance with the UEFA Champions League, UEFA Europa League and UEFA Europa Conference League regulations, positions in the 2024/25 access list are determined based on the five-season association coefficients established at the end of the 2022/23 season, i.e. the cumulative total of each association's season coefficient from the 2018/19 season to the 2022/23 season inclusive.

The enclosed 2024/25 access list for the above-mentioned UEFA club competitions is provisional and is based on current coefficient rankings. As all Russian teams and clubs are currently suspended from UEFA competitions until further notice in accordance with the decision taken by the UEFA Executive Committee on 28 February 2022 (see circular letter 21/2022; and as confirmed by the Court of Arbitration for Sport on 15 July 2022), a final version of the access list for the 2024/25 season will be communicated in due course, before the end of the 2023/24 season.

This calendar and access list will be incorporated in the 2024/25 UEFA Champions League, UEFA Europa League and UEFA Europa Conference League regulations, which will all be subject to the UEFA Executive Committee's approval.

If you have any queries concerning the calendar or the provisional access list for the 2024/25 season, please contact the men's club competitions unit within UEFA's football division.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
