Provisional 2024/25 access list

Please find enclosed the provisional access list that indicates the number of clubs each association is entitled to enter in the 2024/25 UEFA Women's Champions League. The 2024/25 access list is based on 52 associations entering clubs in the competition, with the positions of the associations in the access list determined on the basis of the five-season association coefficients established at the end of the 2022/23 season, i.e. the cumulative total of each association's season coefficient from the 2018/19 season to the 2022/23 season inclusive.

Note that as all Russian teams and clubs are currently suspended from UEFA competitions until further notice, in accordance with the decision taken by the UEFA Executive Committee on 28 February 2022 (see Circular Letter No. 21/2022; and as confirmed by the Court of Arbitration for Sport on 15 July 2022), an updated version of the access list for the 2024/25 season may be communicated in due course before the end of the 2023/24 season.

The definitive access list will only be sent in June 2024, once the final number of entries for the competition and the 2024 titleholder are known.

The calendar and access list will be incorporated in the Regulations of the UEFA Women's Champions League 2024/25, which will be subject to the UEFA Executive Committee's approval.

Registration procedure

Registration for the competition will be made in two stages. There will be a pre-registration mid-May 2024 to check the eligibility of each participating club, followed by the final registration mid-June 2024. This deadline will be extended to 1 July (latest) for those leagues concluding at the end of June. Please also note that to be eligible to participate in the competition, clubs must have obtained a licence issued by the competent national body in accordance with the UEFA Club Licensing Regulations for the UEFA Women's Champions League and be included in the list of licensing decisions to be submitted by this body to the UEFA administration by the 31 May 2024 deadline.

If you have any queries concerning the calendar or the provisional access list for the 2024/25 season, please contact the women's football unit within UEFA's football division.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
