Pots will be decided after receiving all the entry forms

Legend: Pts. = Points; B = Bonus; M = Matches; Goal diff. = Goal difference; PR = Preliminary Round

In red: including bonus points for winners & runners-up

Qualifying Round(s):

- All qualifying round matches have been taken into consideration for all seasons.
- Teams eliminated in the preliminary round = results of the preliminary round have been taken into consideration.
- Participating teams in the intermediate round = results of the preliminary & intermediate rounds have been taken into consideration.
- Match points; Victory = 3 points; Draw = 1 point; Defeat = 0 points

Bonus points:

- Direct qualification to intermediate round = 3 points
- Qualification from preliminary round to intermediate round = 3 points
- Qualification to the final tournament = 3 points
- European Champions = 3 additional bonus points i.e. Croatia (2016/17); Poland (2018/19); Spain (2022/23)
- European runners-up = 2 additional bonus points i.e. Rep. of Ireland (2016/17); Germany (2018/19); Serbia (2022/23)

The coefficient for each season has been calculated by taking the number of points obtained (including bonus points) and dividing it by the number of Associations with the same overall coefficient have been separated according to the following criteria:

- 1) Higher number of matches
- 2) Higher coefficient from the most recent season
- 3) Higher coefficient from the next two most recent seasons
- 4) Superior goal difference from the most recent season
- 5) Superior goal difference from the next two most recent seasons
