UEFA Grassroots Awards 2023/24, powered by EA SPORTS FC FUTURES

Dear Sir or Madam,

In 2023/24, the UEFA Grassroots Awards will once again shine a spotlight on exceptional achievements in grassroots football during the season. Grassroots football forms the very foundation of the sport, nurtured by the tireless efforts of thousands of volunteers, projects and clubs throughout Europe. Our awards have been designed to recognise, celebrate and promote that inspiring work within the grassroots game.

Our partner, EA SPORTS FC, is providing significant support to grassroots football within UEFA for the upcoming 2023/24 awards season. The outright winners in each category, recipients of the gold awards, will not only be recognised across Europe but also receive €10,000 each from the EA SPORTS FC FUTURES programme. This funding is an investment in the future of grassroots football. It will help the award winners expand their projects and have an even greater impact in their communities.

With EA SPORTS FC's support, this awards season is set to make a real difference to grassroots football, ensuring its continued growth and sustainability.

The categories are as follows:

- Best amateur football club
- Best professional football club
- Best disability initiative
- Best education initiative (NEW)
- Best participation initiative

We encourage all UEFA member associations to nominate candidates and projects by completing the enclosed application form in English and submitting it via the link below.

Click [here](#) to submit your application.

The deadline for nominations is Friday 10 November. The winners will be selected by the UEFA Grassroots Panel and confirmed by the UEFA Development and Technical Assistance Committee.

Please do not hesitate to contact us at grassroots@uefa.ch if you have any questions. We thank you for your continued efforts to support and develop the grassroots of the game.

Yours faithfully,

U E F A

Theodore Theodoridis
General Secretary
