COEFFICIENT RANKING SYSTEM

Reference period

The elite round coefficient rankings are established for the elite round draw on the basis of the associations' results in the qualifying round of the current competition.

Match points

Points are awarded for each match played in the qualifying round.

Points are awarded as follows: 3 points for a win; 1 point for a draw, 0 points for a defeat.

Coefficient calculation

Only team's results in the qualifying round, excluding matches against the fourth-placed teams, are taken into account to calculate the elite round coefficient. Points are added up and then the total is being divided by the number of matches played. The following criteria are applied in the order given:

- a) higher position in the group;
- b) higher number of points;
- c) superior goal difference;
- d) higher number of goals scored;
- e) lower disciplinary points total based only on yellow and red cards received by players and team officials (red card = 3 points, yellow card = 1 point, expulsion for two yellow cards in one match = 3 points);
- f) higher position in the coefficient rankings used for the qualifying round draw.

(see competition regulations: paragraphs 15.01 and 15.03 for the Under-17 and paragraphs 15.01 and 15.02 for the Under-19).

DRAW PROCEDURE

For the U17 competition, the 32 associations will be drawn into 8 groups of 4 teams, while for the U19 competition, the 28 associations will be drawn into 7 groups of 4 teams, as follows:

Pot A

Associations ranked 1 to 8 (U17) and 1 to 7 (U19)

Pot B

Associations ranked 9 to 16 (U17) and 8 to 14 (U19)

Pot C

Associations ranked 17 to 24 (U17) and 15 to 21 (U19)

Pot D

Associations ranked 25 to 32 (U17) and 22 to 28 (U19)

The draw will start with Pot A and end with Pot D. Each pot will be emptied before moving to the next pot.

First draw phase

- The teams in Pot A will be drawn one after another and placed in the **first** position in Groups 1 to 8 (U17)/Groups 1 to 7 (U19).

Second draw phase

- The teams in Pot B will be drawn one after another and each one placed in the **second** position in one of the eight groups (U17)/seven groups (U19).

Third draw phase

- The teams in Pot C will be drawn one after another and each one placed in the **third** position in one of the eight groups (U17)/seven groups (U19).

Fourth draw phase

- The teams in Pot D will be drawn one after another and each one placed in the **fourth** position in one of the eight groups (U17)/seven groups (U19).

On the basis of decisions taken by the UEFA Executive Committee and the UEFA Emergency Panel, valid at the time of the draws, the following countries cannot be drawn into the same group: Belarus and Ukraine.

For both competitions, the teams will be allocated to groups in ascending order in such a way as to ensure that no winners and runners-up from the same qualifying group meet each other in the elite round. If clashes arise, the team drawn will be moved to the next available group. The draw continues by first filling the slot left vacant. If clashes arise in the last three or four groups, the teams will be allocated to groups appropriately.

There is no protection with regard to teams that finished third in their qualifying groups.

MINI-TOURNAMENT HOST SELECTION

To determine the mini-tournament hosts and dates, meetings will take place immediately after each draw. One representative from each national association (NA), who must be fluent in English and competent to make final decisions on organising the mini-tournaments, must attend these meetings.

Once the teams within a group have reached an agreement about who will host their group matches, they must complete and sign the 'Agreement of mini-tournament hosts and dates' form.

If the teams cannot agree on a host, the UEFA administration will decide according to the following principles:

- a) If one association would like to host the mini-tournament, the UEFA administration appoints that association as host.
- b) If more than one association would like to host the mini-tournament, the following criteria apply:

- opinion of the majority of the teams
 - priority given to associations that are not hosting a mini-tournament of the UEFA European Under-17 Championship / Under-19 Championship during the same period of time;
 - draw
- c) If no association expresses an interest in hosting the mini-tournament, the UEFA administration conducts a draw to determine the host. Associations already hosting a tournament of the UEFA European Under-17 Championship / Under-19 Championship during the same period of time are not included in the draw.

MATCH DATES

The elite rounds must be completed by 26 March 2024.

QUALIFICATION FOR THE FINAL TOURNAMENT

The eight group winners and the seven best runners-up will qualify for the final tournament of the U17 competition, while the seven group winners will qualify for the final tournament of the U19 competition. Those final tournaments will take place as follows:

2023/24 UEFA European Under-17 Championship	2023/24 UEFA European Under-19 Championship
Cyprus, 20 May – 5 June 2024	Northern Ireland, 15 – 28 July 2024

U17 ONLY - DETERMINATION OF THE TEAMS QUALIFIED FOR THE NEXT STAGE

To compare the rankings between the elite round groups and to determine the seven best runners-up, all the group matches are taken into account (see competition regulations, paragraphs 15.02 and 15.03). The following criteria are applied in the order given:

- a) higher number of points;
- b) superior goal difference;
- c) higher number of goals scored;
- d) lower disciplinary points total based only on yellow and red cards received by players and team officials (red card = 3 points, yellow card = 1 point, expulsion for two yellow cards in one match = 3 points);
- e) higher position in the coefficient rankings used for the qualifying round draw.
