DRAW PROCEDURE

Round of 16

**House of European Football
Nyon, Switzerland, 18 December 2023**

Round of 16

Time:	12:00 CET
Number of teams involved:	16
Number of seeded teams:	8
Number of matches:	2 x 8
Match dates:	13/14 and 20/21 February 2024 (first legs) 5/6 and 12/13 March 2024 (second legs)
Kick-off time:	21.00 CET

Conditions of the draw

The draw respects the following principles, in accordance with Paragraphs 13.07 and 18.01 of the 2023/24 UEFA Champions League Regulations:

The group winners are seeded above the runners-up.

Clubs from the same association cannot be drawn against each other.

Group winners must be drawn against runners-up from a different group.

The runners-up play the first leg at home.

Draw procedure

Eight balls containing the names of the group runners-up are placed in a bowl.

A first ball is drawn from the bowl. The team drawn is placed as the home team in match 1.

In accordance with the above draw conditions, the computer then shows which group winners are eligible to play as the visiting team in match 1. These teams' names are placed in a bowl.

A ball is drawn from that bowl to complete the pairing for match 1 with the team drawn placed as the visiting team in this match.

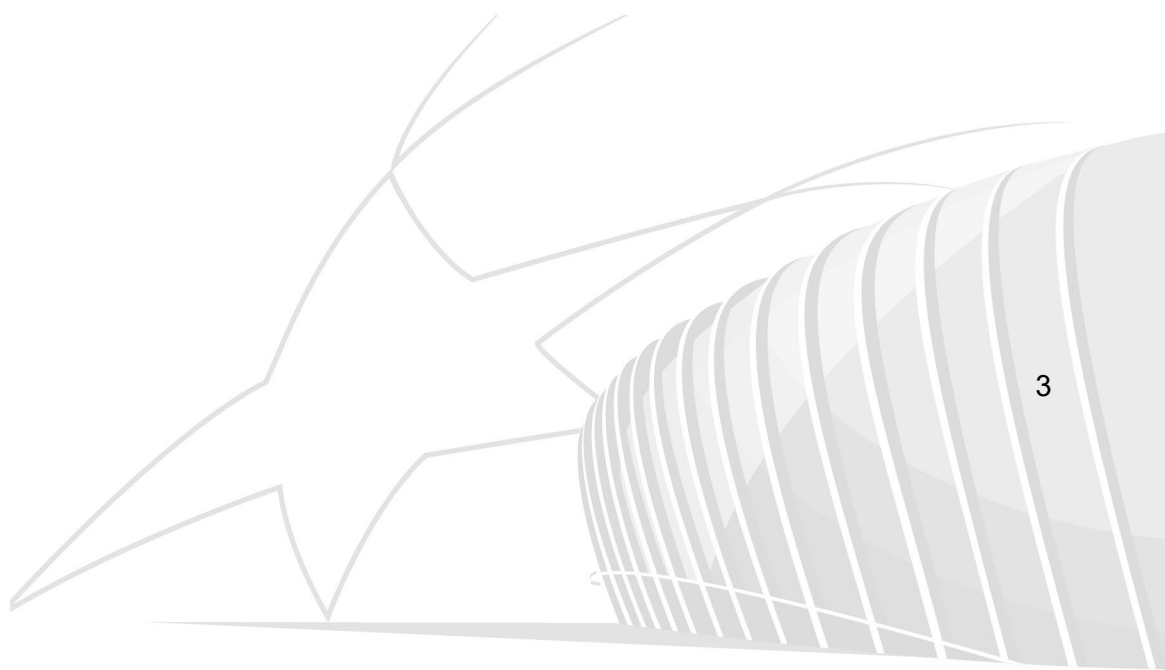

The above procedure is repeated for the remaining matches.

If the computer indicates that only one group winner is eligible to play as the visiting team in a match, that team is automatically assigned to the match and no ball is drawn.

Additional information

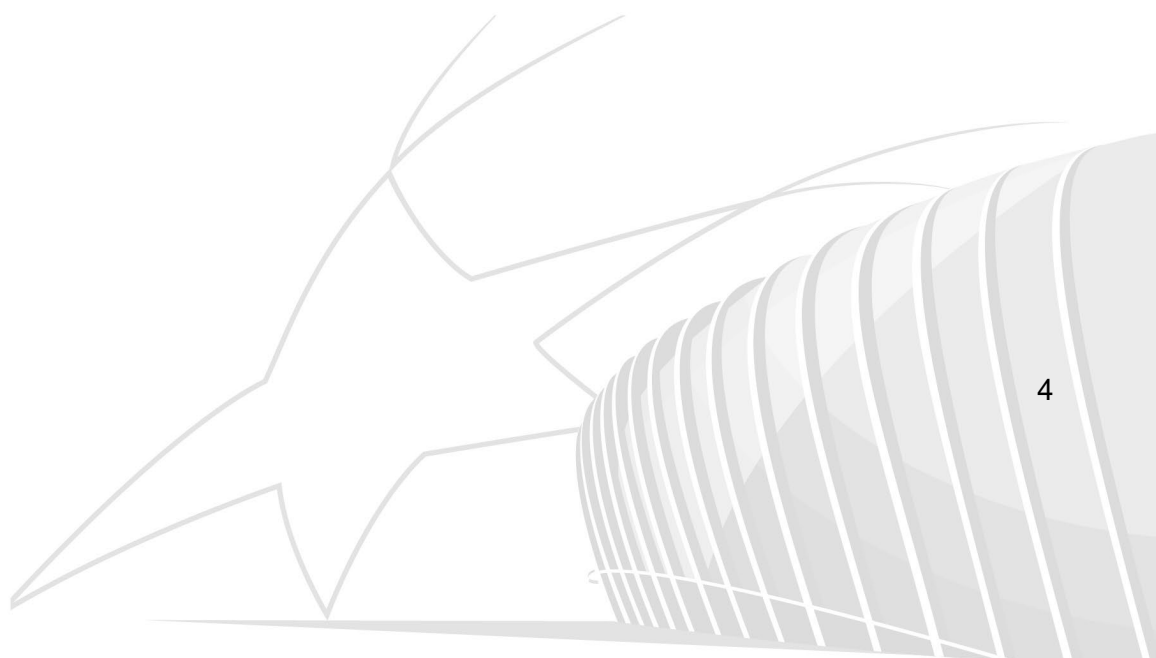

In accordance with Paragraph 21.01(b) of the competition regulations, the UEFA administration decides which matches are played on Tuesday, which on Wednesday, and in which weeks.

The results of the draw and the full fixture list will be available after the draw ceremony, at 18.00 CET at the latest.
