A. League allocation

The 54 UEFA member associations participating in the 2024/25 UEFA Nations League ('UNL') are divided into the four leagues based on the Access List (Annex C of the UNL competition regulations). The Access List is established based on the teams' results in the 2022/23 UNL, considering promotion and relegation between the leagues and the results of the UNL finals 2023. The access list is pending the relegation play-outs as part of the 2022/23 UNL, and potential additional decisions taken by the UEFA Executive Committee before the draw takes place on 8 February 2024.

Nations League D

The six teams allocated to League D are divided into two draw pots as follows:

- Pot 1 will contain the two teams ranked 49th to 50th;
- Pot 2 will contain the four teams ranked 51st to 54th.

		54	Liechtenstein

* the team ranked in 49th position will be known after the UNL 2022/23 play-outs in March 2024 between Lithuania and Gibraltar. The defeated team of this play-out tie will play in League D.

C. Draw conditions

Draw conditions may apply for so-called prohibited team clashes, excessive travel restrictions and winter venues. When a draw condition occurs or is anticipated to occur, the computer used to assist with the draw will indicate the next available group for the drawn team.

It must be noted that the groups available to a team depend not only on the team's own attributes (for example an 'excessive travel restriction') and those of the teams already drawn, but also on the attributes of the other teams still to be drawn. This is due to the computer calculations needed to anticipate all possible scenarios and to prevent any deadlock situation.

Prohibited team clashes

Based on UEFA Executive Committee decisions valid at the time of the draw, the following teams cannot be drawn into the same group:

- Armenia (League C, pot 1) / Azerbaijan (League C, pot 2)

The remaining prohibited team clashes cannot occur as the teams in question will play in in different leagues.

- Belarus (League C) / Ukraine (League B)
- Gibraltar (League C or League D) / Spain (League A)
- Kosovo (League C) / Bosnia-Herzegovina (League A)
- Kosovo (League C) / Serbia (League A)

The UEFA Executive Committee may decide on further prohibited pairs closer to the draw.

The following draw condition applies: **if a clash occurs or could occur, the team drawn is placed in the first available group in alphabetical order as indicated by the computer.**

Excessive travel restrictions

Out of 20 country pairs that have been identified as excessive (applicable both ways, 8 hours or above, based on direct flight times plus 90 minutes ground operations), four pairs in League B apply as draw conditions for the 2024/25 UNL.

From/To	To/From
Kazakhstan (League B, pot 4)	(1) England (League B, pot 1)
	(2) Iceland (League B, pot 2)
	(3) Republic of Ireland (League B, pot 3)
	(4) Wales (League B, pot 1)

A group can include a maximum of one such pair.

The following draw condition therefore applies: **if a team of the list is or could be drawn into a group which already contains two such teams, that team is placed in the first available group in alphabetical order as indicated by the computer.**

Winter venues

Nine countries have been identified as venues with high or medium risk of severe winter conditions for the league phase matches taking place on MD5&6 in November 2024.

- Belarus*
- Estonia
- Faroe Islands
- Finland
- Iceland
- Latvia
- Lithuania
- Norway
- Ukraine*

*Based on decisions by the UEFA Executive Committee, Belarus and Ukraine organise their respective home matches on neutral ground until further notice.

To minimise the risks of matches being negatively affected or even not being completed or played, a maximum of two such countries can be drawn into the same group:

League A: no winter venue restriction applies.

League B: no winter venue restriction applies. The four winter venues allocated to League B, Finland, Iceland, Norway and Ukraine, all belong to pot 2. They can therefore not be drawn into the same group.

League C: no winter venue restriction applies. The four winter venues belonging to pot 4 (Belarus, Estonia, Latvia (**pot 4**), and potentially Lithuania) can be drawn into the same group as the only other winter venue of League C, Faroe Islands (**pot 2**).

League D: no winter venue restriction applies. Lithuania may participate in League D, depending on the outcome of the UNL 2022/23 play-outs in March 2024.

D. Draw procedure

Nations League D

The draw starts with League D and Pot 1 which contains two balls. The drawn teams are assigned to the groups in ascending order from D1 to D2.

- A first ball is drawn and the team assigned to group D1;
- The second ball is drawn and the team assigned to group D2;

The draw continues with Pot 2.

- A first ball is drawn and the team assigned to group D1;
- A second ball is drawn and the team assigned to group D2;
- A third ball is drawn and the team assigned to group D1;
- The fourth ball is drawn and the team assigned to group D2.

When both pots have been emptied, both groups D1 and D2 contain three teams each.

Group D1	Group D2
Pot 1 team	Pot 1 team
Pot 2 team	Pot 2 team
Pot 2 team	Pot 2 team

Nations League C

The draw continues with League C and Pot 1 which contains four balls. The drawn teams are assigned to the groups in ascending order from C1 to C4, save in case of a draw condition applying.

- A first ball is drawn and the team assigned to group C1;
- A second ball is drawn and the team assigned to group C2;
- A third ball is drawn and the team assigned to group C3;
- The fourth ball is drawn and the team assigned to group C4, after which Pot 1 has been emptied and groups C1 to C4 all contain one Pot 1 team.

The draw continues with Pot 2 and follows the same rules as described above for Pot 1. The same procedure is then applied to Pot 3 and finally to Pot 4. When all pots have been emptied, each of the four groups of League C contains four teams, one from each pot:

Group C1	Group C2	Group C3	Group C4
Pot 1 team	Pot 1 team	Pot 1 team	Pot 1 team
Pot 2 team	Pot 2 team	Pot 2 team	Pot 2 team
Pot 3 team	Pot 3 team	Pot 3 team	Pot 3 team
Pot 4 team	Pot 4 team	Pot 4 team	Pot 4 team

Nations League B

The draw for League B follows the same procedure as for League C. When all pots have been emptied, the four groups of League B are composed as follows:

Group B1	Group B2	Group B3	Group B4
Pot 1 team	Pot 1 team	Pot 1 team	Pot 1 team
Pot 2 team	Pot 2 team	Pot 2 team	Pot 2 team
Pot 3 team	Pot 3 team	Pot 3 team	Pot 3 team
Pot 4 team	Pot 4 team	Pot 4 team	Pot 4 team

Nations League A

The draw for League A follows the same procedure as for Leagues C and B.

The draw concludes with the fourth and last ball being drawn from Pot 4 of League A.

When all pots have been emptied, the four groups of League A are composed as follows:

Group A1	Group A2	Group A3	Group A4
Pot 1 team	Pot 1 team	Pot 1 team	Pot 1 team
Pot 2 team	Pot 2 team	Pot 2 team	Pot 2 team
Pot 3 team	Pot 3 team	Pot 3 team	Pot 3 team
Pot 4 team	Pot 4 team	Pot 4 team	Pot 4 team
