**UEFA Committees and Expert Panels 2023-2027
Annual option to update membership 2024**

Dear Sir or Madam,

As we do annually, we will now open the **option to update UEFA committee and panel members** with a view to streamlining the overall membership in accordance with any leadership changes within the UEFA member associations and to maintain an up-to-date cooperation on issues that are crucial to football operations and development.

Please understand that this procedure is primarily for UEFA member associations whose senior management has significantly changed during the past year. Member associations who are currently satisfied with their representation need not enter this process. Should you wish to propose membership replacements, the following documents are attached or available for assistance:

- The current composition of the UEFA Committees and Expert Panels 2023-2027.
- The form to submit membership replacements.
- In addition, you may request a list of current members representing your national association.

To achieve the most effective membership of the UEFA committees and expert panels, please carefully consider the specific knowledge of the representatives you have in mind, indicating their background experience, language skills and personal details. **We strongly encourage you to propose female candidates and representatives of ethnic minorities whenever possible.**

In addition, we kindly ask that you nominate membership **replacements only** during the 2024 annual option to update; this procedure should not include transfer requests from one committee to another and is, unfortunately, unable to accommodate any further increase in overall UEFA committee members.

The deadline for submitting your feedback is **Friday 26 April 2024.**

Finally, for your information, the updated UEFA committee and panel composition will be reviewed and approved by the UEFA Executive Committee in May, which may use its full discretion in approving the appropriate appointments.

For any questions you may have during this process we invite you to contact:

Ms Diana Linero
National Associations Services Unit
Email: committees@uefa.ch

Please accept our sincere thanks in advance for your kind cooperation.

Yours sincerely,

U E F A

Theodore Theodoridis
General Secretary
