UEFA Women's EURO 2025 Final Draw Procedure

Date and time:	Monday, 16 December 2024, 18:00 CET (timing still TBC)
Place:	Swiss Tech Convention Centre, Lausanne, Switzerland
Duration:	approximately 15 minutes
Regulations:	Articles 28 and 29 of the Regulations of the UEFA European Women's Championship 2023-25
Final tournament:	2 – 27 July 2025
Participants:	16 teams (including the team of the final tournament host, Switzerland)
Objective:	Group formation and match allocation

1. Starting points

- ⊕ The 16 finalists are:
 - The team of the host association Switzerland
 - The four European Qualifiers League A group winners
 - The four European Qualifiers League A group runners-up
 - The seven Round 2 play-off winners
- ⊕ These teams are divided into four groups of four teams - Groups A to D, as per the official match schedule published in December 2023.
- ⊕ The team of the host association Switzerland is placed in position A1.

2. European Qualifiers league stage rankings

The 15 teams that qualified via the European Qualifiers have been classified in accordance with the overall European Qualifiers league stage rankings (articles 24.03 and 28.01 of the competition regulations).

3. Pot allocation

Based on the rankings, the 15 teams are divided into 4 seeding pots. Pot 1 comprises three teams since Switzerland has already been allocated to position A1; all other pots consist of four teams each.

Pot 1	Pot 2	Pot 3	Pot 4
L-A GW ranked 1	L-A GW ranked 4	L-A RU ranked 8	PO winner ranked 12
L-A GW ranked 2	L-A RU ranked 5	PO winner ranked 9	PO winner ranked 13
L-A GW ranked 3	L-A RU ranked 6	PO winner ranked 10	PO winner ranked 14
-	L-A RU ranked 7	PO winner ranked 11	PO winner ranked 15

4. Allocation of positions

- ⊗ The three seeded teams from Pot 1 will be drawn into positions 1 in Groups B to D.
- ⊗ The remaining 12 teams shall be allocated at random to positions 2-4 in each group. For this purpose, four additional pots (Pots A-D) with three balls each are used:
 - ⊗ Pot A: positions A2, A3 and A4
 - ⊗ Pot B: positions B2, B3 and B4
 - ⊗ Pot C: positions C2, C3 and C4
 - ⊗ Pot D: positions D2, D3 and D4

The group positions determine the order of matches in the group stage, as outlined in the match schedule.

5. Draw procedure

- ⊗ The draw starts with Pot 1 from where the teams are drawn to fill position 1 in each group:
 - ⊗ One ball is drawn and the team assigned to position 1 of Group B; a second ball is drawn and the team assigned to position 1 of Group C; the last ball is drawn and the team assigned to position 1 of Group D.
- ⊗ The draw continues with Pot 2. A ball is drawn and the team assigned to Group A. In order to determine the position of the drawn team within Group A (i.e. A2, A3 or A4), a ball is drawn from Pot A. A second ball is drawn from Pot 2 and is assigned to Group B. Once again, to determine the position of the team within Group B, a ball is drawn from Pot B. The same procedure is repeated for Groups C and D consecutively until all balls from Pot 2 have been drawn and the teams positioned in each group.
- ⊗ When Pot 2 has been emptied, the draw proceeds to Pot 3 and then to Pot 4, using the same procedure as for Pot 2.

6. Draw conditions

Should draw conditions, such as “prohibited team clashes” as defined by the UEFA Executive Committee apply, teams will be drawn as described above and, in the event of a clash, a team will be assigned to the next available group. If clashes could occur when drawing the last teams in each pot, teams will be drawn and assigned to the groups.

7. Match Schedule

The tournament is played according to the match sequence defined in art. 29.02 of the competition regulations. The match schedule has been approved by the UEFA Executive Committee in December 2023. Based on the results of the final tournament draw the UEFA administration will allocate the matches to the standard kick-off times and publish the finalised schedule as soon as possible after the draw
