2024/25 UEFA European Under-17 Championship Round 2 draw

5 December 2024, Nyon, Switzerland

DRAW PROCEDURE

2024/25 UEFA European Under-17 Championship – Round 2

The present draw procedure is based on Articles 13 and 15 of the UEFA European Under-17 Championship 2024/25 regulations.

COMPETITION SYSTEM

On completion of round 1, the 14 group winners and 14 runners-up qualify for round 2, League A. The 26 remaining teams participate in round 2, League B (art. 13.04).

ROUND 1 - OVERALL RANKINGS

Reference period and calculation

On completion of round 1, an overall ranking is established according to the criteria listed below. Because the groups in round 1 are different sizes, the results of matches against the fourth-placed team are not taken into account for the purposes of comparing the teams placed first, second and third in their respective group (art. 15.01).

The following criteria are applied in the order given (art. 15.03):

- a. higher position in the group
- b. higher number of points
- c. superior goal difference
- d. higher number of goals scored
- e. lower disciplinary points total based only on yellow and red cards received by players and team officials (red card = 3 points, yellow card = 1 point, expulsion for two yellow cards in one match = 3 points)
- f. higher position:
 - i in the qualifying round coefficient rankings for round 1

DRAW CONDITIONS

Prohibited team pairings

None of the prohibited team pairings can occur, due to the league and pot composition.

Avoiding a round 1 phase repeat in the round 2 phase

As applied in the previous draws, the teams will be allocated to groups in ascending order in such a way as to ensure that no teams from round 1 meet each other in round 2. If clashes arise, the team drawn will be moved to the next available group. The draw continues by first filling the slot left vacant. If clashes arise in the last three or four groups, the teams will be allocated to groups appropriately.

Additional condition

Teams who played in three-team groups in round 1 are drawn into four-team groups in round 2 (art. 13.05). This concerns the teams of Bulgaria and Luxembourg.

DRAW PROCEDURE

In accordance with art. 13.05, the 28 associations participating in League A are drawn into seven groups (A1-A7) of four teams each. The 26 associations participating in League B are drawn into five groups (B1-B5) of four teams and two groups of three teams (B6-B7).

Pot allocation

The 28 associations in League A and 26 associations in League B will be split into 4 pots per league as follow:

	League A	League B
Pot 1	Associations ranked 1 to 7	Associations ranked 29 to 35
Pot 2	Associations ranked 8 to 14	Associations ranked 36 to 42
Pot 3	Associations ranked 15 to 21	Associations ranked 43 to 49
Pot 4	Associations ranked 22 to 28	Associations ranked 50 to 54

Procedure

The draw will start with the League A, Pot 1 and end with Pot 4. Each pot will be emptied before moving to the next pot.

First draw phase

- The teams in Pot 1 will be drawn one after another and placed in the **first** position in Groups A1 to A7.

Second draw phase

- The teams in Pot 2 will be drawn one after another placed in the **second** position in Groups A1 to A7.

Third draw phase

- The teams in Pot 3 will be drawn one after another and each one placed in the **third** position in one of the seven groups.

Fourth draw phase

- The teams in Pot 4 will be drawn one after another and each one placed in the **fourth** position in one of the seven groups.

The same procedure will then apply for the League B, with two differences:

- For the fourth draw phase, there will only be five groups and not seven groups.
- Luxembourg (Pot 1) and Bulgaria (Pot 2) cannot be drawn in three-team groups.

MINI-TOURNAMENT HOST SELECTION

In accordance with article 22, to determine the mini-tournament hosts and dates, meetings will take place immediately after each draw. One representative from each national association (NA), who must be fluent in English and competent to make final decisions on organising the mini-tournaments, must attend these meetings.

Once the teams within a group have reached an agreement about who will host their group matches, they must complete and sign the 'Agreement of mini-tournament hosts and dates' form.

If the teams cannot agree on a host, the UEFA administration will decide according to the following principles:

- a) If one association would like to host the mini-tournament, the UEFA administration appoints that association as host.
- b) If more than one association would like to host the mini-tournament, the following criteria apply:
 - opinion of the majority of the teams;
 - priority given to associations that are not hosting a mini-tournament of the UEFA European Under-19 Championship during the same period of time;
 - draw *
- c) If no association expresses an interest in hosting the mini-tournament, the UEFA administration conducts a draw to determine the host. Associations already hosting a tournament of the UEFA European Under-19 Championship during the same period of time are not included in the draw.

* Due to the current situation, Ukraine, Israël and Belarus cannot host tournaments on their territory and would therefore be excluded from such a draw.

MATCH DATES

In accordance with art. 23, following the draws, the teams in each group have to agree on match dates. Associations which are not represented at the meetings after the draws automatically accept the decisions taken by the other associations in their group.

Qualifying competition matches must be played within the following periods:

- Round 2 - League A: by 25 March 2025
- Round 2 - League B: by 30 June 2025

If the teams of a group cannot all agree on the match dates, the host association decides.

Nota bene:

As the final tournament host, Albania, will be in the League B for round 2, their group will have to be played by 25 March 2025. The deadline cannot be extended.

QUALIFICATION TO THE FINAL TOURNAMENT

The seven group winners in League A, round 2, qualify for the final tournament in Albania.

Final tournament dates: 19 May – 1 June 2025.

Final tournament draw date: Wednesday, 2 April 2025.

The finalists' workshop will take place on the same day. The detailed match schedule will be communicated after the draw.
