**Individual league and interim overall rankings**

At the conclusion of the league phase, individual league rankings are established according to art. 19.01 of the UNL 24/25 competition regulations, according to the following criteria, in the order given:

- a. position in the group
- b. higher number of points
- c. superior goal difference
- d. higher number of goals scored;
- e. higher number of away goals scored;
- f. higher number of wins;
- g. higher number of away wins;
- h. lower disciplinary points
- i. higher position in the UNL 24/25 Access List

The **interim overall rankings** are established based on the individual league rankings (art. 19.03). The League A teams are ranked 1st to 16th, the League B teams 17th to 32nd, the League C teams 33th to 48th and the League D teams 49th to 54th.

Note: the final overall 2024/25 UEFA Nations League rankings are established based on the results of the knockout stage and the play-offs (art. 19.05).
