Dear Sir or Madam,

We are pleased to inform you that the above-mentioned regulations were approved by the UEFA Executive Committee on 26 February 2025 and are now available in the [UEFA Documents portal](#).

As regards the UEFA senior men's club competitions, the UEFA Executive Committee approved the regulations of the UEFA Champions League, UEFA Europa League and UEFA Conference League for the entire 2024–27 cycle on 20 March 2024. Therefore, only minimal changes, acknowledging new practices or based on decisions made since their approval, are presented in addition to the ordinary adaptations. Similarly, after only one season under the new format of the UEFA Youth League, only minimal changes to that competition's regulations are presented.

With regard to the UEFA women's club competitions, following the decision in December 2023 to change the format of the UEFA Women's Champions League and introduce a second-tier competition (the UEFA Women's Europa Cup), all related changes to the principles of access, the competition system and the calendar have been incorporated into the regulations of the UEFA Women's Champions League and new regulations have been produced in full for the UEFA Women's Europa Cup. Pending ongoing discussions, Chapter XIII (Exploitation of the Commercial Rights) and Annex G (Club Media Rights Guidelines) of the UEFA Women's Champions League regulations will be approved and republished in May 2025.

All regulations will come into force on 1 March 2025. The German and French versions will be available in mid-April.

Yours faithfully,

U E F A
