Stadium Rules for the UEFA Champions League™ Final 2026

1. Scope

These Stadium Rules, and any policies and procedures in place in respect of sanitary measures, apply to all ticket and/or accreditation holders who enter the area of the stadium premises used in connection with the UEFA Champions League™ Final 2026 owned by Union of European Football Associations (hereinafter "UEFA") and organised by the UEFA Champions League™ Final 2026 Host Association, namely the Hungarian Football Federation (hereinafter the "Host Association").

The stadium (hereinafter "Stadium"), as referred to in these Stadium Rules, includes all areas within the stadium premises and its immediate vicinity where the UEFA Champions League™ Final 2026 match will be played, is played or has been played, that are only accessible with a UEFA Champions League™ Final 2026 match ticket (hereinafter "Ticket") and/or a UEFA Champions League™ Final 2026 accreditation (hereinafter "Accreditation"), including all entrances and exits.

These Stadium Rules and the Prohibited Item list shall, for the period during which a Ticket or Accreditation is needed to enter the Stadium, (subject to applicable laws and regulations and unless otherwise notified by UEFA) replace the stadium rules of the Stadium which governs other matches and/or events played and/or held at the Stadium during other periods.

The Stadium Rules shall be available on the official website of UEFA at www.uefa.com/Budapest2026 and at the entrances to and inside the Stadium at all times during the enforcement period of the Stadium Rules.

In addition to these Stadium Rules, all persons shall comply with any Code of Conduct for Spectators or Code of Conduct for Accredited Persons (as applicable) which is in place for the UEFA Champions League™ Final 2026.

2. Entrance

2.1. Entrance to the Stadium shall only be authorised upon presentation of a valid Ticket and/or Accreditation for each individual person, regardless of age. The Ticket and/or Accreditation must be shown for inspection on entrance to, and inside, the Stadium at the request of any person appointed by UEFA and/or the Host Association, or at the request of a police officer. If requested, proof of identity must be shown in the form of an official document. Failure to cooperate will result in access to the Stadium being denied or expulsion from the Stadium.

2.2. The validity and usability of Tickets and Accreditations shall be determined according to the relevant UEFA Champions League™ Final 2026 Ticket and Accreditation terms and conditions. Ticket and Accreditation holders may only enter the Stadium with a Ticket or Accreditation that is acquired/granted and used in compliance with such terms and conditions. Tickets and Accreditations that are acquired from unauthorised sources shall be invalid.

2.3. Ticket holders under the age of 16 shall only be authorised to enter the Stadium with an accompanying adult, who will be responsible for them. The accompanying adult must also hold a valid Ticket.

2.4. Disabled persons shall be able to reach accessible areas via entrances provided for this purpose by presenting a valid Ticket for disabled persons. Any accompanying person must also hold a valid Ticket. Proof of disability must be shown at the request of any person appointed by UEFA and/or the Host Association.

2.5. Ticket Holders shall be permitted to access the Stadium from such time as the gates open (the time of which shall be displayed on the Ticket). UEFA and the Host Association shall determine, taking into account matters such as safety and security, whether gates (and which gates) shall be required to be closed following kick-off and, if so, at what time. Whilst UEFA and the Host Association shall take reasonable steps to ensure that the gates shall remain open as long as possible following kick-off, Ticket Holders should be aware that gates to access the Stadium may be closed in the event that they arrive at the Stadium after kick-off and that, whilst UEFA and the Host Association shall use their reasonable endeavours to provide access to Ticket Holders in such circumstances, access to the Stadium may not be possible in the event that Ticket Holders arrive late at the Stadium and the gates have already closed.

2.6. The driving and parking of vehicles at the Stadium is only permitted with the special authorisation of UEFA and/or the Host Association.

3. Personal controls

3.1. Every person entering the Stadium is obliged to show and, if requested, hand over for inspection their Ticket and/or Accreditation to a person appointed by UEFA and/or the Host Association, or to a police officer.

3.2. Any person appointed by UEFA and/or the Host Association, or a police officer, is entitled to examine – including through the use of technical aids – whether persons represent a risk of potential disruption to public order, in particular on the grounds that they have consumed alcohol or drugs or are in possession of weapons or other prohibited items. Any qualified person appointed by UEFA and/or the Host Association, or a police officer, is entitled to search any person's clothing and other items in their possession.

3.3. Prohibited items will be confiscated by a qualified person appointed by UEFA and/or the Host Association or must be left, when and if possible, at the designated deposit area by their owner. Persons appointed by UEFA and/or the Host Association have the right to refuse to store certain items at the designated deposit area.

3.4. Any person who refuses to abide by the Stadium Rules or who represents a safety or security risk will be turned away and denied access to the Stadium, without prejudice to any other action which may be taken against such person.

3.5. Any person who makes unauthorised use of a Ticket or who is the subject of an applicable stadium ban will be denied access to the Stadium and must immediately return their Ticket to UEFA and/or the Host Association (as instructed), in accordance with the Ticketing Terms and Conditions. Similar rules apply to any use of an Accreditation that is not compliant with the Accreditation Terms and Conditions.

4. Conduct inside the Stadium

4.1. All persons entering the Stadium must:

a) comply with any policies and procedures in place in respect of sanitary measures;
b) conduct themselves in such a way that they do not harm, injure, endanger or unnecessarily obstruct or annoy others, or cause any damage;
c) follow the instructions of persons appointed by UEFA and/or the Host Association, or the police, the fire brigade or other rescue services;

d) occupy the seat allocated to them as indicated on their Ticket and use the appropriate access routes. A person will be obliged to sit in a seat other than that indicated on their Ticket for safety or organisational/operational reasons if asked to do so by a person appointed by UEFA and/or the Host Association, or a police officer.

4.2. It is strictly forbidden to:

a) throw any kind of objects from the stands to the pitch level; and
b) enter the pitch from the stands without the permission of a person appointed by UEFA and/or the Host Association,

and any person violating these provisions may be subject to prosecution.

4.3. If a person becomes aware of any damage caused to any property, or any accident of any kind, such person should take immediate steps to inform a person appointed by UEFA and/or the Host Association, or a police officer.

4.4. Access will be strictly limited to that which the holder of the Ticket, Accreditation and/or, if applicable, supplementary access device, is entitled to.

4.5. Further exceptional demands may be made in order to prevent, reduce or eliminate danger to life, health or property. Instructions issued by a person appointed by UEFA and/or the Host Association, or a police officer, must be followed, and failure to cooperate may result in expulsion from the Stadium.

4.6. Rubbish and empty packaging must be placed in the bins and containers provided at the Stadium. Any arrangements for the separation of waste must be respected.

4.7. Smoking – including the use of e-cigarette products and heat not burn tobacco products – is prohibited in the Stadium, except, if permitted under applicable laws, within designated smoking areas.

5. Sound and image recordings and transmission

5.1. All persons attending the UEFA Champions League™ Final 2026 take note that their voice, image and likeness recorded during their time in the Stadium (“Recordings”) may be used, free of charge, in any image, sound and audiovisual material in connection with the UEFA Champions League™ Final 2026, either simultaneously or at a later date. UEFA, UEFA Club Competitions SA (trading as UC3) (“UC3”) and the Host Association or third parties engaged or otherwise authorised by them in each case (e.g., broadcasting, press, individuals/influencers) create Recordings for the purpose and on the basis of their legitimate interest of public reporting and promotion of the UEFA Champions League™ Final 2026 pursuant to Art. 6 para. 1 lit. f of the GDPR. Recordings may be processed, exploited and publicly reproduced by UEFA, UC3 and the Host Association as well as third parties authorised by them in each case (e.g. broadcasting, press) within the scope of the same legitimate interest pursuant to Art. 6 para. 1 lit. f of the GDPR.

5.2. All persons attending the UEFA Champions League™ Final 2026 shall not collect, record, use or disseminate any sound, image, recording or depiction of the venue and/or the match (including any results, statistics, information or other data about the match, in whole or in part) (“Content”) over the internet, radio, television or any other current or future media – or assist any other persons in doing so – other than for personal, private and non-commercial use. Any such personal, private and non-commercial use is at the attendee’s own risk and, for the avoidance doubt, requires the attendee to clear all necessary rights for such use. Examples of personal, private non-commercial use include sharing (limited) Content (by means of physical or electronic media) with the attendee’s close friends and family but shall not include any use of Content:

a) on a live/near-live basis;
b) in any manner intended to make available any aspect of the match to the public;
c) on webpages or social media accounts (save for any closed social media account accessible by the person's close friends and family only);
d) to promote, sponsor, endorse or sell products/services;
e) to generate any form of commercial gain or remuneration (whether monetary or not); or
f) on any form of physical or electronic media in any manner that suggests an official association with UEFA, UC3 and/or the match.

UEFA and/or UC3 reserve the right, in their sole discretion, to determine whether any use of Content constitutes personal, private and non-commercial use. For the avoidance of doubt, UEFA, UC3 and any authorised third party is entitled to delete, or cause to be deleted, any images transmitted or publicly displayed in breach of this clause and to bring any other claim against the responsible person (collecting, recording, using or disseminating as described above) in a judicial or extrajudicial proceeding.

5.3. All rights in relation to any Content created by attendees shall be owned by UEFA, save that the UEFA and/or UC3 hereby grant attendees a non-exclusive licence to use such Content for the personal, private and non-commercial uses described in clause 5.2 above. In this respect, each attendee hereby irrevocably and unconditionally transfers and assigns to UEFA and/or UC3, free of charge, all rights (including all intellectual property rights) in relation to any such Content for the full period of such rights. In any jurisdiction where such transfer/assignment does not take effect, the attendee hereby grants to UEFA and/or UC3, free of charge, a perpetual, worldwide, unrestricted, irrevocable, exclusive, transferable, sub-licensable, royalty-free licence to use such Content for any and all purposes. If requested by UEFA and/or UC3, the attendee shall do all things reasonably necessary to give effect to this clause 5.3.
