The 16 qualified clubs from the Main Round compete in the knockout phase, which consists of the Round of 16, Quarter-Finals and Finals.

The Round of 16 matches and Quarter-Finals are played in accordance with the knock-out system, whereby each club plays each opponent twice, in home and away matches.

The eight winners of the Round of 16 advance to the pre-determined Quarter-Finals. The four Quarter-Final winners qualify for the Finals, which are played as a final four tournament in Biel/Bienne, Switzerland, on 7 and 9 May 2027.

The group winners and runners-up from the Main Round Path A are seeded and play the second leg at home. The third-placed clubs from Main Round Path A and the group winners from Main Round Path B are unseeded and play the first leg at home.

In accordance with the relevant decisions of the UEFA Executive Committee, clubs from Ukraine and Belarus may not play against each other. To ensure compliance with this restriction, Ukrainian and Belarusian clubs cannot be drawn against each other in the Round of 16.

If a prohibited pairing occurs during the Round of 16 draw, the club concerned will be allocated to the next available eligible Round of 16 tie in numerical order.

Following the completion of the Round of 16, if a prohibited pairing arises in a quarter-final tie, the club scheduled to play the second leg at home will be exchanged with the club scheduled to play the second leg at home in the next available eligible quarter-final tie in numerical order.
